RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents

REMARKS

I. The Office Action

The March 19, 2003 office action (the "Office Action") in this application requested applicant to restrict to one of:

1. Group I, claims 1-7, and;
2. Group II, claim 8.

II. Election with Traverse

Applicant elects Group I claims 1-7

Applicants traverse on the basis that since all of claims 1-8 are limited to a modified neurotoxin, a single search should suffice for all the claims.

Claim 8 is cancelled without prejudice to further prosecution at a later date.
